

Outdoor Stainless Steel Cabinetry

Standard Kitchen Layouts

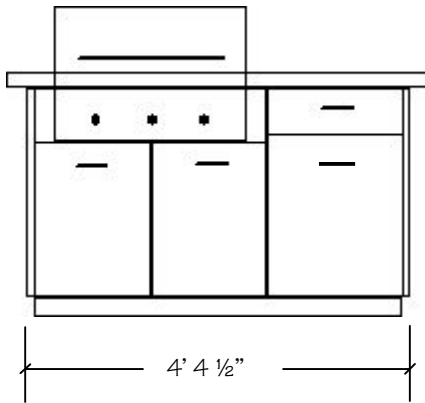

DANVER

DANVER STANDARD KITCHENS

General Information—Danver standard kitchen layouts include cabinets, side panels, toe kick and stainless counter tops ready to be installed against a wall. Grill and refrigerator are not included in price except for the Terrace Griller and Balcony Bistro which are sold complete as freestanding islands; just choose the Summit Appliance refrigerator model in the Balcony Bistro. For all others, specify grill manufacturer for appropriate trim kit and specify Summit Appliance refrigerator model. Refrigerators and certain grills are available from Danver; check price sheet for available brands and price. All refrigerators are UL approved for outdoor use. For freestanding island installations, add the back panel kit.
