INSTALLATION INSTRUCTIONS FOR TRASH PULL-OUT KIT

1. Extend mounted slide on trash can module
2. Remove slide by squeezing black slide release inside slide
3. Take slide and mount to stainless steel cabinet by using four (4) screws and spacers provided (mount spacers between slide and cabinet)
4. Repeat with other side
5. Remount trash can module into slide now mounted into cabinet
6. Insert trash cans provided
7. Enjoy!
